NOTICE

In pursuance to DTE's Letter No. TE(Ex)Admn-01/2026/517 Date 28-08-2026, all students admitted to the Institute through CEE 2026 Counselling – **Round 1 and Round 2**, excluding students admitted through the Spot Admission Round, who wish to further upgrade their allotted seat as per the choices already filled during the counselling process, are hereby directed to fill up the following Google Form by **12:00 Noon on 29-08-2026**.

This notice is **not applicable** to:

1. Students admitted through the Spot Admission Round; and
2. Students who do not wish to upgrade their present allotted seat.

It may be noted that no new choices can be added through the Google Form. Seat upgradation, if applicable, shall be considered strictly against the choices already submitted by the student during the CEE 2026 counselling process.

Important Points:

1. Once an upgraded seat is allotted, the student's existing allotted seat shall stand cancelled, irrespective of whether the student accepts or declines the upgraded seat.
2. If the student's seat is not upgraded, the existing allotted seat shall remain unchanged.
3. Upgradation shall be considered based on the option selected in the Google Form, i.e. “**Upgrade**” or “**Upgrade in the Same College**”, and shall be carried out strictly as per the choices submitted during counselling.
4. Students who have already **submitted an application for withdrawal** of admission shall **not be eligible** for seat upgradation.

All eligible students are advised to carefully read the above instructions and submit the Google Form within the stipulated time.
